

KIRTHIKA

LIFE SCIENCE GRADUATE

PROFESSIONAL SUMMARY

I am an enthusiastic and innovative biotechnology researcher, I possess excellent research skills and strong time management abilities, eager to contribute to groundbreaking projects at leading firms

CONTACT

Phone: +91 9487768145

Email: kirthve26@gmail.com

Address: Amman Nagar, Tiruppur, Tamilnadu,

India- 641602

WORK EXPERIENCE

QA Intern | 2026

Quascenta Pvt. Ltd

- Trained on PQMS validation softwares
- Testing and Data Handling

Intern | 2024

Pasteur Institute of India

- DPT Vaccine Production
- Animal Breeding, Quality Control and Microbiology

Intern | 2023

SITRA, Coimbatore

- Hands-on experience in basic cell culture and Medical textiles

ACADEMIC HISTORY

SASTRA Deemed University, India | 2020-2025

Master of Technology in Biotechnology (5yrs)

- GPA: 2.89/4
- Awarded Deshvidesh Scholarship

North Carolina State University, USA | 2025

Final Thesis Project - Food Science

PUBLICATIONS

- DNA isolation, Genbank ID-OP012702.1 NCBI- July 2022. Involved in the isolation and quantification of DNA-*Staphylococcus aureus* strain C11 16S ribosomal RNA gene, partial sequence Nucleotide
- Co author in Exploring bio-oil aqueous phase (BOAP) from seaweed biomass as biofilm disruptive agents against foodborne pathogens- June 2024 Food bioscience journal
